

## ANCILLARIES Datatag

Datatag is world renowned for its electronic theft deterrent systems. Its products have helped to drastically reduce the rates of stolen property and are fitted on many assets such as motorcycles, jet skis, golf equipment and marine components.

The Kits are aimed at giving peace of mind and security to any trailer application or caravan/motorhome fitted with the system – it is designed to act as both a deterrent against theft as well as a powerful aid to recovery in the event of theft. As an additional bonus, the use of Datatag can result in up to 20% discount on insurance premiums with certain insurance companies, offering an immediate and ongoing payback.
