

NEW SEMI-AUTOMATIC CAST COUPLING HEAD

Knott now presents a brand new **semi-automatic cast coupling head**.
Benefits include:-

- ✿ Anti trigger feature – preventing false triggers during coupling up;
- ✿ Class leading pull out test results – increasing safety;
- ✿ Protective cover for integrated lock – no loose cover or lock to lose;
- ✿ Combined coupling engaged / wear indicator – for peace of mind;
- ✿ Low profile handle to improve clearance to vehicle rear doors etc.
